FALL & WINTER SERVICE SALES EVENT!

Dear Customer,

OUR FAMOUS PRE-PAY PROGRAM IS BACK!

The result: tremendous savings – and increased buying power. For example, prepay \$20,000 on your account by January 15, 2017, and receive a credit on your account for \$21,600 – giving you an extra \$1,600 to spend in the coming year!

Take a look at this table to see the kind of discounts you can receive for your pre-payments:

PRE-PAYMENT PROGRAM

PREPAYMENT	DISCOUNT	PAID BY
\$2,500-4,999	2%	January 15, 2017
\$5,000-9,999	4%	January 15, 2017
\$10,000-19,999	6%	January 15, 2017
\$20,000-49,999	8%	January 15, 2017

Additionally, when you enroll in our pre-payment program, all call-out fees for after-hours parts and service are waived for an entire year!

We truly believe that our pre-payment program will be a great cost-saving benefit for 2017 – and many years to come! – and hence are offering it to you, our loyal customers, as a “thank you” for your patronage. If you have questions on the details of the program, please don’t hesitate to ask me.

With Many Thanks,

Fred Titensor - Valley Implement Co.
